Email: office@bournesgreen-inf.southend.sch.uk

Bournes Green Infants School would like to say a huge thank you to Essex Countryside Estate Agents.

From my time as a parent governor I have been assigned to work with the PE Department and to be a critical friend in order to push the boundaries for our children to enjoy better facilities and equipment.

On my first meeting with the head of the PE department I was amazed at how small the budget was for equipment on a yearly basis and felt I needed to contribute in some way to rectify this.

I approached Essex Countryside and explained the circumstances that I found ourselves in and to my surprise Essex Countryside stated that they were only too happy to help. I can now say that Essex Countryside have donated £1000.00 per year to be spent on the PE Department how they see fit.

I cannot start to explain how far this money will go and what equipment this money will buy for our children's use but I can say that it will enable Bournes Green Infants School PE Department to aspire to be one of the best equipped and enjoyed departments in our region.

To date I can say that our PE teaching staff will have all weather fleece lined jackets to escort the children to and from events with a corporate logo stitched to them, please look on our sponsors page for updates as to how this money will be spent and how it will improve the enjoyment of physical activity for the children of Bournes Green Infant School.

Regards,

Mark Gore
